7. **Capital Structure** :

7.1 If it is a company :

	Existing position	Proposed after BMR&E
(a) <u>Authorised capital</u> :		

(b) **Issued, subscribed paid-up capital**

- (i) Issued
(ii) Subscribed
(ii) Paid-up

(c) **Capital Contribution by the Director**

Name of the Director/Share-holders	Value of shares already held	Extent of share holding after completion of BMR&E
(i)		
(ii)		

7.2 **Partnership firm** :

Name of the partner	Present contribution	Total Contribution after BMR&E
(i)		
(ii)		
(iii)		

B: THE PROJECT:

8: BRIEF PARTICULARS ABOUT PROJECT:

8.1 Please describe briefly the project for which financial assistance is sought giving reasons for seeking additional finance for expansion/balancing/modernization /replacement. If balancing of existing unit is envisaged, please indicate in what way the existing unit is un-balanced.

8.2 (a) Please give the existing line of products manufactured, with products specification, annual production capacity (rated) and actual annual production for the last three years stating reasons for under-utilisation of capacity, if any, as per Forms-III(A&B) enclosed.

(b) Please enclose feasibility report if prepared,

(c) Estimated time required for major work relating to project implementation as follows :

(i) Acquisition of additional land (if required);

(ii) Preparation and development of sites;

(iii) Construction of additional building and other civil works (if required).

(iv) Delivery of machinery at site;

Delivery of imported machinery;

Delivery of local machinery.

(v) Installation and erection of plant.

(vi) Trial production.

(vii) Regular commercial operation.

8.3 Foreign collaboration :

If the existing unit is operated with foreign collaboration, name and addresses of collaborators, copies of collaboration agreement, together with Government approval for the said collaboration may be indicated and enclosed. If the proposed expansion and/or modernisation scheme envisages further foreign collaboration, similar information may be given.

8.4 Manufacturing process:

Please give details of manufacturing process for the products manufactured indicating addition / extension of process and operation after BMR&E in a flow chart. Please indicate problems or waste disposal, if any, and mention scope for utilisation of by products. if any

9. **Location** :

Please indicate location of the existing unit in a site plan showing the surroundings and availability of communication facilities and other utilities such as water, power labour, raw material, market etc.

10. **Land** :

10.1 Land now owned : Please give the following:

- (a) Plot No. :
- (b) Khatian No :
- (c) Mouja :
- (d) Survey plan :
- (e) Area :
- (f) Purchase price :
- (g) Present (book) value:
- (h) Encumbrances, if any:
- (i) Title deed/lease deed:
- (j) Free-hold or lease-hold:

10.2 Additional land required, if any:

Please give the following :

- (a) Free-hold or lease-hold
- (b) Area
- (c) Prices paid/to be paid
- (d) Titled deed/lease deed, if already purchased
- (e) Documentary evidence of negotiations if purchase deed has not been finalised.

11. **BUILDING** :

- (a) Please submit layout plans for existing building. For new buildings, please submit layout plan, structural drawings, detailed estimates of cost as per Form-IV enclosed.
- (b) Please submit layout plans for existing factory building showing layout of installed machinery and indicating the layout of proposed machinery if these are to be housed in the existing premises.

12. **MACHINERY** :

12.1 Existing machinery:

Please give complete list of machinery and equipment now installed and in operation giving functions of each machine, year of manufacture and year of installation, production capacity, original purchase price and depreciated book value as per FormV (A) enclosed.

12.2 NEW MACHINERY FOR BMR&E :

- (a) Please give complete list of proposed machinery, equipment and spare parts as per Form-V(B) enclosed. Please enclose at least two price quotations from two different suppliers and furnish illustrated brochures and literature of the machines.
- (b) Please indicate validity period of price offer and delivery period.
- (c) Please obtain copies of guarantee from supplier for satisfactory performance of machinery and enclose same with this loan application.

12.3 ERRECTION AND INSTALLATION OF MACHINERY:

- (a) Please state arrangements made/ to be made for erection and installation of machinery;
- (b) If foreign erection engineer is to be hired, please enclose a copy of agreement indicating approximate cost to be incurred for foreign technician;
- (c) The details of technical personnels to be recruited locally for installation and erection giving estimated cost thereof.
- (d) If installation and erection to be made by local consulting firms. please give details and terms of contract.

13. RAW MATERIALS :

13.1 Existing requirement :

- (a) Please give annual requirement of direct and indirect raw materials based on 100% rated capacity specifying shift of operation as per below:

Item	Specification	Quantity	Unit price C&F	Landed cost at factory	Sources of supply

- (b) Please give actual consumption of direct and indirect raw material and packing material during the last three year as per the following proforma;

Raw materials consumed

Item- Specification	198		198		198	
	Qty.	Value	Qty.	Value	Qty.	Value

- (c) Please give your half yearly entitlement for import fixed by the Government and indicate actual licenses received during the past three years :

	198	198	198
Half yearly entitlement :			
Actual licenses received :			

13.2 Additional requirement after BMR&E :

Item of raw materials	Specifications	Qty. required	Unit price C&F	Total landed cost	Sources of supply (local or import)
-----------------------	----------------	---------------	----------------	-------------------	-------------------------------------

14. POWER :

Please give :

- Connected load (KW)
- Present maximum demand (KW)
- Average existing consumption (KWH)
- Additional demand for BMR&E
- If there is a transformer, please indicate transformer capacity
- Average power failure witnessed in the last year (Hours).

15. FUEL AND LUBRICATING OIL :

Please give the following :

Item of fuel and lubricant	Existing requirement (quantity)	Requirement after BMR&E (quantity)	Price per unit (TK.)

16. WATER :

Please give the following :

- (a) Existing requirement/shift
- (b) Additional requirement/shift
- (c) Existing arrangement for supply
- (d) Arrangement for additional supply
- (e) Arrangement for treatment of water, if any
- (f) Arrangement for waste disposal, if any

17. TRANSPORTATION :

Please indicate present arrangement of transportation of raw materials and finished products and proposed arrangement for the same after balancing and modernisation.

18. TECHNICAL AND MANAGERIAL STAFF :

18.1 Existing :

Type Staff	No.	Salary/ month	Spl. benefit per month	Total cost per year
------------	-----	------------------	---------------------------	------------------------

18.2 Additional staff required for BMR&E :

Type Staff	No.	Salary/month	Spl. benefit per month	Total cost per year
------------	-----	--------------	---------------------------	------------------------

19. LABOUR :

19.1 Existing :

Please give the following :

Staff employed	No.	Salary/ month	Spl. benefit per month	Total cost per year
Foreman				
Supervisors				
Skilled worker				
Semi-skilled worker				
Un-skilled worker				

19.2 Proposed additional requirement after BMR&E :

Staff employed	No.	Salary/ month	Spl. benefit per month	Total cost per year
Foreman				
Supervisors				
Skilled worker				
Semi-skilled worker				
Un-skilled worker				

20. Administrative and sales :

Type of staff	Existing				Additional		
	No.	Salary/ month/ person	Other benefits	Total annual cost	Salry/mo nth/pers on	Other benefits	Total cost year

As per Feasibility Report

C: COST OF THE PROJECT AND MEANS OF FINANCE :

21. Cost of the project :

Please give the estimated cost of the project in Form-VI enclosed indicating existing cost and estimated proposed cost.

22. Means of finance :

22.1 Please state how the existing cost has been financed and how the additional cost is proposed to be financed:

- (a) Equity capital :
 - (i) Share capital
 - (ii) Partners contribution
 - (iii) Proprietors capital
- (b) Term loans (Specify)/Existing/Proposed/Total after completion.
 - (i)
 - (ii)
 - (iii)
- (c) Loan from Directors, if any,
- (d) Other sources (Please specify).

22.2 Please indicate contribution of each director/partner to the equity capital indicating their combined contribution to the total cost of the project.

22.3 Please give full particulars of securities to be offered to BSB as follows :

- (a) Nature of security
- (b) Value
- (c) Margin available
- (d) Nature of charge

D: **MARTKETING AND SELLING ARRANGEMENT :**

23. Please indicate major consumers of your existing products and products to be manufactured.

24. Please describe the present selling arrangement indicating whether the products are sold directly or through the distributors and whole-salers or retailers, etc.

25. Please indicate selling arrangement for the proposed products giving factory prices to –

- (a) Direct consumer
- (b) Whole salers
- (c) Retailers.

26. If the products are exported please state –

- 26.1 the market for exports
 - 26.2 Percentage of total products exported
 - 26.3 average FOB price of export
 - 26.4 existing export incentives from the Govt.
 - 26.5 prospect of exporting the proposed products
 - 26.6 percentage of total proposed product to be exported.
27. Please state the names and address of the major producers of similar products in the country and indicate the prevailing market price and quality of their product.
28. Please state the unit C&F value of similar products, if being imported now, indicating country of origin, rate of duty, sales tax, other cost of importation landed cost of the goods.

(NOT APPLICABLE FOR SERVICE INDUSTRIES)

E: PRODUCTION COST, SELLING PRICES AND PROFITABILITY AND REPAYMENT PROGRAMME

29. Please enclose details of profit and loss accounts of your existing unit for the last three years, enclosing therewith the various schedules and explanations of accounts. Please also enclose audited Balance Sheet/Certified statement of Accounts for last three years. Please submit latest Balance sheet even if provisional.
